*Proceedings of the Madras Government, Public Works Department,
21st July 1874.*

No. 470. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 27th June 1874, No. 2,633:—

I HAVE the honor to forward herewith in original, for the orders of Government, the papers marginally noted relative to a claim; by Apothecary D.

Accompaniments.

No. 1,035, dated 26th June 1874, from District Engineer, Chingleput.

Docket dated 8th April 1874, from first-class Apothecary D. Stewart, to Surgeon-Major T. O. Hession.

Bill of first-class Apothecary D. Stewart for compensation for inferior quarters, dated 22nd May 1874.

Nos. 2,372 and 372, dated 24th March and 20th May 1874, from Executive Engineer, Mount Range, to Commandant of Poonamallee.

No. 2,892, dated 16th April 1874, from Quarter Master General, to Deputy Assistant Quarter Master General, Centre District, No. 189-74, dated 8th April 1874, from Deputy Surgeon General, British Medical Service, Presidency Circle, to Barrack Master, Fort St. George.

No. 1,528, dated 6th June 1874, from Barrack Master, Fort St. George, to the Controller of Public Works Accounts.

Stewart at Poonamallee, to compensation for inferior quarters. The letter from the District Engineer, Chingleput, is in reply to a letter from this office asking whether, in his opinion, the claim to compensation at the rate of Rs. 13-4-6 (viz., the difference between the authorized rate, Rupees 30, of house-rent and the value, Rupees 16-11-6, of the quarters occupied) is admissible under the ruling contained in Government Order, No. 249, of the 27th March 1874.

2. The orders of Government are solicited on two points—

I.—Whether the District Engineer's valuation of Rupees 16 may be accepted.

Note—The District Engineer's remark about the rate to be paid by a Senior Apothecary is not correct, but it does not affect the question.

II.—Whether the compensation should be paid from 15th June 1868 or from 1st April 1874, in which month the claim was put forward.

3. Under existing rules, the Public Works Department should supply quarters to medical subordinates, and failing this, or when the quarters supplied are not equal to those prescribed by the regulations, the department must pay compensation which would be the full house-rent of rank when medical subordinates have to make their own arrangements; or the difference between house-rent allowed and the rent fixed for the building occupied, when the accommodation is considered inferior.

No. 471. ORDER THEREON, 21st July 1874, No. 1,965.

ACCOUNT, No. 22.

His Excellency the Governor in Council observes that the District Engineer's valuation of Rupees 16 for the

house occupied by Apothecary D. Stewart should be accepted, and that compensation should be paid from the 1st April 1874, the month in which the claim was advanced.
