Office of the Controller of
P.W. Accounts
No 2596 Madras 26 June 1874.
From
The Office Controller of P.W. Accounts
To the Secretary to Government,
Public Works Department.

Sir,

With reference to the 3^d para of
Government Order No 1513 of the 9th
instant requiring information, as
to what has been and what re-
mains to be done towards as-
certaining and classifying the
outlay of past years on Irrigation
Works, I have the honor to solicit
approval of my intention to hold
over submission of a report on the
subject till the return from leave
of

of Lieutenant Christie R. C. who
has been specially employed as De-
puty Controller in the Aviation
Branch. I should like to submit
a full and definite report, and
as Lieutenant Christie will be back
in a few weeks, I think it desi-
rable to wait till then in order
that such a report may be prepared.

2. I may however at once say
that the progress in tabulating
and classifying the outlay of
previous years has not been what
I could have wished nor what
I at one time expected it would
be. But there have been diffi-
culties some of which were re-
ferred to in the report drawn
up by Lieutenant Christie and
mentioned in the Memorandum

703
by the Chief Engineer printed with
Government Order No 1232 of 8th
May 1874.

I have the honor to be
Sir,

Your most Obedt^t Servant
