*Proceedings of the Madras Government, Public Works Department,
22nd July 1874.*

No. 492. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 29th June 1874, No. 985:—

With reference to G. O., No. 873, dated 27th March 1874, sanctioning an allotment of Rupees 400 for bringing the steamer *Fred and May* to Dowlaishweram, I have the honour to inform you that an expenditure of Rupees 226 was incurred in last official year on that work.

2. The fact that sanction had already been accorded in G. O., No. 2,394, dated 30th September 1873, to proceed with the work in anticipation of an allotment of funds, had however been overlooked by the Range Officer in the press of work at the close of the official year, and he omitted to call upon the Government Workshop for a bill of the charges already incurred by them, and the allotment sanctioned was not utilized.

3. The original estimate for this work was only approximate, as it was impossible to determine exactly what the cost of each operation in the dismantling would amount to, and the actual expenditure, as already stated, has only been Rupees 226.

4. Under these circumstances, I have the honour to request that a fresh allotment to that extent may be granted.

No. 493. ORDER THEREON, 22nd July 1874, No. 1,976.
