Proceedings of the Madras Government, Public Works Department, 22nd July 1874.

No. 499. Read the following letter from Captain J. W. HINDLE, Officiating District Engineer, Vizagapatam, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Waltair, 29th June 1874, No. 633 :—

I HAVE the honor to bring to notice that some years since two buildings were erected at Parvatipore in connection with the new jail at that station, one for Apothecary's and the other for Jailer's quarters. The cost of the former was Rupees 3,689 and that of the latter was Rupees 3,307.

2. The jail has never been occupied as a jail, and is proposed to be converted into a Sub-Magistrate's Cutcherry and sub-jail. Meantime the Jailer's quarters have been occupied by the Inspector of Police, who is not entitled to quarters rent free. The Superintendent of Police, on being consulted, states that the Inspector occupied the building so far back as July 1870 under the impression that no rent would be taken from him, and that he considers it would be hard on the Inspector to make him pay any rent retrospectively.

3. Under these circumstances, I request you will be good enough to obtain the decision of Government as to what rent should be received, and whether it is to have retrospective effect.

4. The Superintendent of Police informs me that, under the regulations of his department, an Inspector occupying a Government building has to pay rent at the rate of Rupees 3 per cent. per month on his pay.

5. The Inspector's pay will be little over Rupees 100 per month, and it would be absurd to fix such an amount as a fair rent for a pucka building.

No. 500. ORDER THEREON, 22nd July 1874, No. 1,980.

ESTABLISHMENT, No. 30.

THE Inspector should be required to pay the usual rent charged to Inspectors, viz., Rupees 3 per cent. on his pay, with arrears.

Sir,

I have the honor to bring to notice that some years since two buildings were erected at Parvatipore in connection with the new Jail at that Station, one for Apothecary's & the other for Jailer's Quarters. The cost of the former was Rs. 3689 and that of the latter was Rs. 3307.

The Jail has never been occupied as a Jail and is proposed to be converted into a Sub magistrates Cutcherry and Sub Jail. Meantime the Jailors Quarters have been occupied by the Inspector of Police who is not entitled to Quarters rent free. The Superintendent of Police on being consulted states

states that the Inspector occupied the building so far back as July 1870 under the impression that no rent would be taken from him and that he considers it would be hard on the Inspector to make him pay any rent retrospectively.

Under these circumstances I request you will be good enough to obtain the decision of Government as to what rent should be received and whether it is to have retrospective effect.

The Superintendent of Police informs me that under the regulations of his Department, an Inspector occupying a Government Building has to pay rent at the rate of Rs. 3 per cent. per month on his pay.

The Inspectors pay will be little over Rs. 100 per month and it would be absurd to fix such an amount as a fair rent for a Pucka Building.
