I HAVE the honor to state that on the 11th ultimo I submitted to the Controller of Public Works Accounts for audit two travelling allowance bills, amounting to Rupees 27-12-0, from the medical officer in charge of Goodalore, and they were returned with a request to submit to Government for orders. In resubmitting for audit the accompanying correspondence* has taken place, and, under the circumstances explained in my letter, I trust the Government will see no objection to accord its sanction for the payment of the aforesaid amount.

Sir,
In forwarding for audit the
accompanying Travelling Allowance Bill
amounting to Rs 27 12 1/2 from the Medical
Officer in charge at Gondal, countersigned
by me, I have to state that I am doubtful
as to whether the Weymouth Allowance claimed
by him is admissible.

Sir,
With reference to your letter
No 334 of the 11 Instant, I have the honor

to suggest that the bills herewith returned
be submitted to Government for orders with
explanation of the circumstances under
which it was found necessary to call upon
the Apothecary in charge of the Civil Dis-
pensary at Goodloe to visit oversee all
Browns and W. O. A. de Souza when an
Hospital Assistant was permanently doing
duty with the Department in the Wagon.

The Controller of Pub. Works Accounts

Reference your letter N. 205 dated
18 Instant.

Before referring the question
to Government I would beg to point out that
the Apothecary for whom the Travelling
Allowance Bill are submitted is in Medi-
cal charge of the Public Works Department
South East Wagon within the limits of
which

which part of the Range both Sultan's Battery
and Madagany are situated, that if the
Hospital Assistant at Sullade were to
attend he would be entitled to travelling
allowance and that while Madagany is
only 8 miles from Goodloe the head quarters
of the Apothecary, it is 46 from Sullade,
Sultan's Battery being equidistant from
both Sullade and Goodloe; under these
circumstances perhaps you will not think
the reference to Government necessary.

Yours truly

To,

Sir,
With reference to your letter
N. 373 of the 22 May 1874, I have the honor
to

to state that as a Medical Subordinate not
receiving pay from the Public Works Depart-
ment was better in while a Medical Subor-
dinate actually attached to the Public Works
Department was not prepared to attend I
am still of opinion that the matter should
be laid before Government for orders.
I may add that in my opinion the arrange-
ment though regarding the formal func-
tion of Government was quite proper.

Yours faithfully,
Signed L. S. Hoffmann
