*Proceedings of the Madras Government, Public Works Department,
23rd July 1874.*

No. 516. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 8th July 1874, No. 2,931:—

WITH reference to G. O., No. 32, of the 6th instant, I have the honor to inform Government that the change of intention mentioned in G. O., No. 125, of the 13th March 1874, was too late to prevent the execution of the work of clearing the East Coast Canal by the Public Works Department.

2. As the Range Officer had completed the work in March last at a cost of Rupees 20,000, and as that sum was at the disposal, not of the Public Works Department, but of the Collector of Chingleput, there was nothing for it but to debit the Civil Department with that amount, which I accordingly did in my Exchange Account with the Accountant-General of Madras.

No. 517. ORDER THEREON, 23rd July 1874, No. 1,989.

ACCOUNT, No. 25.

ORDERED to be recorded.
