*Proceedings of the Madras Government, Public Works Department,
24th July 1874.*

No. 540. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 1st July 1874, No. 2,717:—

With reference to Government Order, No. 1,596 of the 16th June last, sanctioning the erection of a rest-house in the Western Delta of the Godavery, and directing that the rent or fees to be levied for the occupation of rest-houses in the delta should be credited to Revenue Miscellaneous, I have the honor to state that while rents of bungalows on *completed* canals or irrigation works are to be credited to Revenue, the rules require that rents of bungalows connected with works *under construction* should be credited as "receipts on Capital account," and therefore to inquire whether any alteration is necessary in the Proceedings of Government above quoted.

No. 541.

ORDER THEREON, 24th July 1874, No. 2,000.

IRRIGATION, No. 49.

Account.

THE Government are of opinion that as the rest-houses of the Godavery Delta have been constructed without special reference to the improvements to the canals in course of execution, and,

as those canals, though several of them still incomplete have long been in operation, and are yielding a large revenue, the instructions conveyed in G. O., No. 1,596, of the 16th June 1874, do not need modification.
