Public Works Department
Proceedings of the Madras Government
2003 Read the following
The Off Controller
of P. M. Accounts (P. M. 43 dated 4th June 1874)

As it would ap-
pear that it will
be convenient to
decide at the pre-
sent time what
works are to be
done under the
head "Ordinary
Agricultural works
for which no Capital
and Revenue ac-
counts are kept,"
with a view to the
more systematic clas-
sification of expendi-
ture; and as it would
seem that hitherto,
for want of definite
instructions, much
outlay, which may
some or later be
brought into the Capital
and

and Revenue accounts
has been so claped,
His Excellency the
Governor in Council
is of opinion that
the following rules
may with advantage
be at once adopted

1st all outlay on agri-
cultural works yield-
ing revenue will be
debited either to Ca-
pital or Revenue.

2nd all outlay on such
works, not themselves
yielding revenue but
carried out in order
that irrigation may
be extended or secured,
will be similarly
dealt with.

3rd all outlay on works
from which revenue
is not intended to
be obtained either
directly or indirect-
ly, but which may
have been, or be,
sanctioned for the
security or welfare
of

of the people, will
be excluded from the
Capital & Revenue
accounts. A shorter
description than that
hitherto in use is
needed, and "Agricul-
tural Miscellaneous"
may be adopted, if
the term has not
been made use of in
the Irrigation accounts
to denote some other
class of works.
River embankments;
drainage works carried
out for the health
or benefit of the
population and
not for revenue
purposes; and
a few others,
will belong to
this latter class
2. All expendi-
ture will then
be

- be classified as either
- 1 Capital outlay
 - 2 Revenue - do -
 - 3 Miscellaneous & Agricultural - do -
