*Proceedings of the Madras Government, Public Works Department,

Read the following :—

No. 550. From G. R. LEGGATT, Esq., Executive Engineer, Public Works Department, dated 10th April 1874.

ABSTRACT.—Praying for a re-consideration of the orders lately passed charging him with neglect, etc., with regard to Cotton Road No. 6, in the Madura District.

No. 551. ORDER THEREON, 24th July 1874, No. 2,005.

ESTABLISHMENT, No. 32.

His Excellency the Governor in Council has attentively considered Mr. Leggatt's appeal.

2. He observed that no stress was laid in G. O., No. 607 of 7th March, on the 1st and 4th charges against him.

3. On the 2nd he is inclined to think that Mr. Leggatt has offered an explanation that may be accepted.

4. On the 3rd Mr. Leggatt has failed to clear himself of very great laxity as regards measurement and payment of work, and supervision of contractors and subordinates. But it is considered by His Excellency the Governor in Council that he will have been sufficiently punished by three months' reduction to the rank of Assistant Engineer; and he is pleased accordingly to reinstate him at the bottom of the list of Executive Engineers, 4th Grade, from the 7th June.
