*Proceedings of the Madras Government, Public Works Department,
28th July 1874.*

No. 592. . Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 6th July 1874, No. 2,891 :—

As payments made in England for Imperial Stores are usually shown in statements relating exclusively to such stores, while payments for Provincial Stores are similarly shown in separate statements, I have the honor to bring to notice that in one instance, *vide* the statement printed with G. O., No. 2,920, of the 4th December 1873, items* relating to Provincial Stores are included in a

statement otherwise Imperial, and that the deduction in the statement of the value of those items appears to have been made with the intention of making a corresponding addition to a purely Provincial statement. No such addition however appears in any Provincial statement received up to this date, and as the matter may have been overlooked in the India Office, I venture to suggest that a reference be made on the subject.

No. 593. . ORDER THEREON, 28th July 1874, No. 2,024.

ACCOUNT, No. 32.

ORDERED that the Home Government be addressed on the subject.
