Sir

In reply to your letter No 7 of the 15th Instant I have the honor to state that in my opinion, all payments exceeding 20 Rupees to members of the Public Works Department on account of Travelling and Horse Allowances should be acknowledged by Stamped Receipts except when the payments are advances in anticipation of final adjustment. When however such allowances are paid at the same time as salary, one receipt will be sufficient for both.

2. The concluding portion of the Government of India Circular printed with Government Order No 1173 being however open to a different interpretation I shall forward a copy of this correspondence for the information and orders of Government.
