I FIND that previous to the communication of G. O., No. 870, of the 27th March 1874, to the Oosoor Range Officer, an outlay of Rupees 706-3-9 had been incurred by that officer in excess of the allotment of Rupees 6,000, and have therefore the honor to request Government will be pleased to authorize the Controller to pass the amount in the Range accounts.

2. The Cutcherry on which the excess has been incurred is in a very difficult part of the country for obtaining labor, and if the Range Officer had allowed his people to leave he would have had much trouble to collect them again; he therefore went on with the work in anticipation of sanction.
