*Proceedings of the Madras Government, Public Works Department,
28th January 1874.*

No. 408. Read the following letter from Surgeon E. NICHOLSON, British Medical Service, on special duty, Public Works Department, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Bangalore, 20th January 1874, No. 64:—

I HAVE the honour to state that my duty in connection with the Camp of Exercise has been at the General Hospital, Bangalore, and that consequently there has been no particular interruption to the work of cement experiment. I expect that this will shortly be sufficiently advanced to enable me to draw up a sequel to the report which I had the honour to submit in November last.

2. I surmise that, during my employment in connection with the camp, my pay will be drawn from the Military Department; I would however venture to hope that this employment will be without prejudice to my personal allowance and to the contingent allowance for office charges.

No. 409. ORDER THEREON, 28th January 1874, No. 205.
