*Proceedings of the Madras Government, Public Works Department,
30th July 1874.*

No. 686. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 29th June 1874, No. 986:—

I HAVE the honor to request you will be so good as to recommend Government, as a special case, to exempt Draughtsman B. Soobaroydu from passing the usual Draughtsmen's examination.

2. There is considerable difficulty in obtaining efficient Draughtsmen for the offices of this district. At present we have no first-class Draughtsmen in it, and only two second-class, so that it is very desirable the services of Soobaroydu should be secured for the workshop office, where there is much plan drawing and estimating constantly required.

3. This man has been nineteen years in the Government service in various posts, temporary and permanent, and is represented by the Range Officer as thoroughly qualified for the appointment Captain Brockman has given him in the workshop office.

4. He had been a Sub-Overseer prior to the abolition of that grade, and had afterwards served for five years as temporary Draughtsman in the Superintending Engineer's Office on Rupees 30 up to the last re-organization, when he was reduced to a pay of Rupees 15.

5. The Controller now objects* to his drawing more than 20 Rupees because he has not passed the examination, and while observing that the case seems deserving of favorable consideration, considers the sanction of Government necessary, and I now solicit the favor of your obtaining it.

No. 687. ORDER THEREON, 30th July 1874, No. 2,067.

ESTABLISHMENT, No. 36.

His Excellency the Governor in Council is pleased, as a special case, to exempt B. Soobaroydu from passing the prescribed examination for a Draughtsman's certificate.

A certificate of good health is herewith attached. No circular No 40 of 1872 received by this office. How disposed of

- Noted.
- The case appears deserving of favorable consideration, but as the rules published at page 375 of the Fort St. George Gazette dated 28th August 1868, do not seem to exempt Soobaroydu from passing the prescribed Examination, it is suggested that the sanction of Government be obtained for his reemployment. Pending its receipt the claim to salary from 3rd January 1874 should be regarded as paid provisionally.
- A copy of the Circulars applies for is herewith forwarded.
