*Proceedings of the Madras Government, Public Works Department,
30th July 1874.*

No. 691. Read the following letter from Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 6th July 1874, No. 1,563 :—

I HAVE the honor to report that the Assistant Superintendent in charge of Madras Store Dépôt, Telegraph Department, requested to know if a goods truck built for his department at the Madras Railway Works at Perambore in the year 1869, at a cost of Rupees 421-13-11, and which has hardly ever been used, will be taken over by the Public Works Department should he obtain the sanction of the Superintendent of Stores, Calcutta, to the transfer.

2. The truck in question is as good as new, and very suitable for conveyance of stores to and from the beach to the new workshops and stores at Seven Wells, and I therefore beg to recommend its purchase for Rupees 400.

3. The measurements of the truck are as follow, viz. :—

	FEET. IN.				
Length...	...	...	...	...	6 8
Breadth	...	...	...	...	4 5
Depth	...	...	...	...	1 4
Diameter of wheels	...	...	...	...	1 8
Gauge	...	...	...	...	3 9

} Inside measurements.

The truck is made of 2-inch teakwood, clamped and bound with iron. All the sides can be removed when necessary.

4. The General Superintendent states, that out of the sum of Rupees 6,000 allotted for " Tools and Plant, Rupees 3,000 have to be set aside on account of Mathematical Instruments, and the balance will not be sufficient for the year's operation". I beg therefore that if sanction is accorded for the purchase of the truck, funds may be granted from any source at the disposal of Government.

No. 692.

ORDER THEREON, 30th July 1874, No. 2,070.

ACCOUNT, No. 39.

SANCTIONED, if the District Engineer can arrange for the provision of the money from the funds at his disposal.
