*Proceedings of the Madras Government, Public Works Department,
13st July 1874.*

No. 733. Read the following letter from Major H. R. MEAD, R.E., District Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 6th July 1874, No. 416*—

I HAVE the honor to bring to the notice of Government that, under G. O., No. 2,635, dated 17th October 1871, the Controller is directed, in the absence of orders to the contrary from a Local Government, that fifteen days' residence at a place shall be sufficient grounds for considering that place an officer's temporary head-quarters, and that when an officer is appointed to the charge of a survey it will rest with the Local Government to fix his temporary head-quarters or to decide that he shall have no temporary head-quarters other than the station fixed for him to work up his surveys, etc.

2. This order of Government necessitates my applying for the head-quarters of N. Ruthnasabapathy Pillay, Probationary Assistant Engineer, to be fixed by Government. This officer is at present employed on survey duties which necessitates his remaining at times in the camp for more than fifteen days, and I consider that he should be allowed during these periods to draw travelling allowance. I therefore request that Tranquebar or any other place that may be the head-quarters of the range he is at work in may be considered his head-quarters while employed on survey duties.

3. Should Government not be disposed to allow him full travelling allowance for these periods, I request that he may be allowed half travelling allowance as is done in some other districts.

No. 734. ORDER THEREON, 31st July 1874, No. 2,091.

ESTABLISHMENT, No. 39.

The head-quarters of the Probationary Assistant Engineer are those of the Executive Engineer under whose immediate orders he is employed. The District Engineer will send up for the orders of Government any special cases in which he may consider that the rule as to fifteen days' residence at any place constituting it a temporary head-quarter, should not apply.
