*Proceedings of the Madras Government, Public Works Department,
1st August 1874.*

No. 33. Read the following letter from Major H. SMALLEY, R.E., Officiating District Engineer, Ganjam, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Berhampore, 4th July 1874, No. 29:—

THE Collector having handed over the works in the Kimeddy Estate to this department from the 1st instant, I have the honor to solicit information as to whether I am at liberty to entertain the establishment proposed in G. O., No. 1,009, dated 18th April 1874, to be assigned for their supervision, viz.:—

- 1 Supervisor with Sub-divisional Establishment.
- 2 Overseers with their establishments, besides raising the Range Office establishment from 3rd to 2nd class.

2. The Supervisor now in charge, G. Venkata Row Pantulu, is, I presume, to be retained as Sub-divisional Officer. The Overseer, Veeramulleslingam, has by no means given satisfaction, and if he is to be retained I consider he should be strictly on probation. The members of the present office establishments might be as far as possible retained for the Sub-divisional and Overseers' establishments.

No. 34. ORDER THEREON, 1st August 1874, No. 2,112.

ESTABLISHMENT, No. 4.

THE authorized establishments may be entertained, the present Supervisor standing fast, and the District Engineer making his own arrangements for Overseers and Office servants as usual.
