No. 426

Mr. Thornhill furnished
with an extract from the
Despatch from the Secy of
State for India exempting
him from blame in
connection with the Madras
Water Works Project.

Proceedings of the Madras Government, Public Works Department,
30th January 1874.

No. 427. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevely, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 11th December 1873, No. 141:—

I HAVE the honour to request permission to demolish two of the out-houses attached to the late Artillery Barracks now occupied by the post-office.

2. The buildings in question were formerly used by the troops, one as a cook and the other as store room, and afterwards by the Department Public Works and are now unoccupied; I have lately inspected them, and am of opinion that the buildings should at once be removed; the buildings are in an unsafe condition and not worth repair.

3. Presuming that the buildings belong to the Military Department, I addressed the Commandant of the station to know if he objected to these being removed, but that officer states that the buildings are not included in his returns.

No. 428.

ORDER THEREON, 30th January 1874, No. 216.

CIVIL WORKS, No. 29.

The demolition of the out-houses is sanctioned.

(True Extract.)

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government.

To the District Engineer, Tinnevely.

„ Officiating Controller of Public Works Accounts.
