No. 152. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 21st July 1874, No. 427:—

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 20th July 1874, No. 632.

With reference to your letter No. 361, of the 22nd of April last, I have the honor to request that you will be so good as to submit to Government the enclosed copy of paragraph 7 of a letter from my Board, No. 534, dated London, the 19th of June 1874, in which the Directors express the hope that the Government of India will, upon reconsideration, sanction the proposed payment to Mr. W. Barton Wright of a special allowance of Rupees 5,000, in addition to the acting allowance he drew during my absence from India.

2. I beg specially to point out that, as observed by the Board, Mr. Wright, while acting as Agent and Manager, performed also the duties of Locomotive Superintendent, and that a saving of Rupees 7,836-8-3 to the Company was thereby effected, and I trust that, bearing this in mind, His Excellency the Governor in Council will be pleased to sanction the recommendation made in my letters Nos. 53 and 103, dated the 19th and 30th January 1874.

Extract from a letter from the Secretary of the Madras Railway Company, No. 534, dated London, the 19th June 1874.

PARAGRAPH 7.—In paragraph 15 of 1,100 you refer to the correspondence that has passed between the Government Consulting Engineer and yourself on the subject of your proposal that a special allowance of Rupees 5,000 should be made to Mr. W. Barton Wright in addition to the acting allowance he drew during your recent absence from India. The Board regret to learn that the Government of India are of opinion that, under all the circumstances of the case, the maximum amount Mr. Wright should receive is the full pay of the Agent and Manager, which would give him only £262-10 extra. As the Directors are desirous of marking their appreciation of the zeal and ability displayed by Mr. Wright on the occasion in question, they trust that the Government of India will, on reconsideration, sanction the proposed payment to him of Rupees 5,000, particularly as he performed, while acting for you, the duties of Locomotive Superintendent also, whereby a saving of Rupees 7,836-8-3 was effected in the expenses of his department, as shown in the memorandum which accompanied your letter to the Consulting Engineer, No. 103 of the 30th January 1874.

SUBMITTED to Government for favorable consideration with reference to the Proceedings of Government, No. 1,013-B, dated 18th April 1874.
