*Proceedings of the Madras Government, Public Works Department,
7th August 1874.*

No. 155. Read the following letter from Colonel C. V. WILKIESON, R.E.,
Superintending Engineer, Coimbatore, to Lieut.-Colonel J. MULLINS,
R.E., Chief Engineer for Irrigation, dated Coimbatore, 13th July 1874,
No. 47 :—

I HAVE the honor to report that Surveyor T. Ramangiah, who was employed
surveying under sanction in G. O., No. 1,111, of 29th April 1874, has utterly
failed to carry out the work entrusted to him; that his levels are inaccurate, and,
in consequence, of no use, so that in the current month only three days' pay has
been passed to him. The Range Officer also reports that he is in the habit of
drinking and neglecting his work. I make this report principally that such steps
may be taken to prevent his being again employed on similar or any Department
Public Works work for Government.
