*Proceedings of the Madras Government, Public Works Department,
7th August 1874.*

No. 157. Read the following letter from A. C. LAWFORD, Esq., Officiating District Engineer, South Canara, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Mangalore, 13th July 1874, No. 45 :—

With reference to G. O., No. 1,776 of 10th July 1873, authorizing the payment of full pay of his post to Mr. J. S. Brito, the Draughtsman in No. 1 or Mangalore Range Office, on the condition of his passing the prescribed test within one year from the date of the order, I have the honor to report, for the information of Government, that Mr. J. S. Brito has passed this year the Draughtsman's examination, and obtained a third-class certificate.

2. The Principal of the Civil Engineering College states that Mr. Brito failed to get a second-class certificate only by one-sixth of the whole number of marks required.

3. The pay at present drawn by Mr. Brito being Rupees 40 per mensem, and that to which he would be entitled by the third-class certificate being Rupees 30, a difference of Rupees 10, I beg to request that the Government will be pleased to authorize full pay of the post being passed to him on the consideration that he has passed the examination for the third-class certificate, and closely approached the whole number of marks required for the second-class certificate.

4. This favor is requested on the following grounds :—

Mr. Pereira, the Draughtsman of the District Office, has passed the Overseer's test, and will be appointed to one of the vacant Overseerships in this district. Mr. Brito will therefore be made Acting Draughtsman in the District office, and as it is found extremely difficult to obtain Draughtsmen to serve in South Canara, the work both of the District and Range Offices will devolve for some time on him. He will again appear for a second-class certificate and will probably pass.

No. 158. ORDER THEREON, 7th August 1874, No. 2,177.

ESTABLISHMENT, No. 15.

Mr. Brito having apparently exerted himself to pass will be allowed a further period of twelve months to qualify as a Draughtsman of the second-class; meanwhile full pay, viz., Rupees 40, may continue to be passed to him.

tion of his passing the prescribed test
within one year from the date of the
order, I have the honor to report for
the information of Government that
Mr J. L. Brito has passed the year
the Draftsman's examination and ob-
tained a third class certificate.

The Principal of the Civil
Engineering College states that
Mr

Mr. White failed to get a second class certificate only by $\frac{1}{8}$ of the whole number of marks required.

3. His pay at present is given by Mr. White being the proper manum and that to which he would be entitled by the 3^d class Certificate being Rs 30, a difference of Rs 10 I beg to request that the Government will be pleased to authorize full pay of the post being passed to him on the consideration that he has passed the examination for the 3^d class Certificate and closely approached the whole number of marks required for the 2^d class certificate.

4. His favor is requested on the following grounds.

Mr. Pereira the Draftsman of the District office has passed the Overseer's Exam and will be appointed to one of the vacant overseerships

overseerships in the District. & Mr. White will therefore be made acting Draftsman in the District office, and as it is found extremely difficult to obtain Draftsmen to serve in South Canara, the work both of the District and Range Offices will devolve for some time on him.
