4. Read letter* from the Acting Chief Engineer having reference to an application which had been made on behalf of the widow of the late Permanent-way Inspector H. H. Smith who died suddenly at Bangalore on the 18th of June last.

* No. 412, dated 25th June 1874.

Smith had been in the service of the Company for upwards of nineteen years, during which time he discharged his duties in a most satisfactory manner.

Under the circumstance, the Committee determined, subject to the approval of Government, to present the widow with Rupees 960, being the equivalent of six months' pay of her late husband.

Proceedings of the Madras Government, Public Works Department,
10th August 1874.

5. Read letter from the Acting Chief Engineer, No. 458, dated the 13th of July 1874, giving cover to an application which had been received in his office from the mother of Permanent-way Inspector Satur, who was killed in the recent unfortunate accident at the Paupugnee bridge. It appears that Satur has left four young children wholly unprovided for, as their mother is also dead, and the application is for some assistance from the Company towards the maintenance and bringing up of these children, who are now quite dependent upon the mother of their late father.

Looking at the circumstances under which the death of Satur occurred, the Committee felt that the justice of the appeal thus made to the Company must be admitted, and it was resolved that, subject to the sanction of the Government, a sum not exceeding Rupees 4,000 should be placed at the disposal of the Agent and Manager to be expended by him in such manner as may be hereafter determined for the benefit of the four children and their grandmother.

No. 201. ORDER THEREON, 10th August 1874, No. 2,202.

RAILWAY, No. 33.

APPROVED.

2. His Excellency the Governor in Council will expect to receive a special report of the manner in which it is proposed to appropriate the sum of Rupees 4,000 for the benefit of the family of the late Permanent-way Inspector Satur.
