*Proceedings of the Madras Government, Public Works Department,
11th August 1874.*

No. 216. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 13th July 1874, No. 1,533:—

I HAVE the honor to bring to your notice that Taluq Overseer Mr. E. M. Gill, joined his appointment of Taluq Overseer, Dindigul, on the 13th, and was engaged till the 16th February 1874 in taking over charge from Acting Taluq Overseer Manikum Moodelliar. But the Controller in auditing the pay bill of Mr. Gill for the days from 13th to 16th has stated that his pay has been "passed provisionally pending the sanction of Government for the extra charge, which the District Engineer is requested to obtain, Manikum Moodelly, in whose place Mr. Gill was appointed, having drawn pay as Taluq Overseer for the same period."

2. From the true copy (herewith enclosed) of the correspondence which has taken place between this office and that of the Controller, it will be observed that the G. O., No. 949 of 24th March 1868, quoted by the District Engineer in support of the extra charge, is construed by the Controller as being exclusively applicable to Accountants and office members. In restricting its application to office members the Controller may be considered justified from the instances recorded in the Government Order. But from the use in the body of the order of "the allotment of Establishments is not exceeded," the Government Order under discussion is held by this office to have a wider significance in its application.

3. As, however, the Controller still maintains the opinion that a special sanction of Government should be obtained, I have the honor to request that the Controller may be authorized to admit the extra charge in connection with the pay claimed by Mr. Gill for the period in question.

No. 217. ORDER THEREON, 11th August 1874, No. 2,209.

ESTABLISHMENT, No. 21.

THE provisions of G. O., No. 949, of 24th March 1868, are made applicable to the case in question, and to similar

cases in future; care being taken that the total Budget allotment for Taluq Overseers and their Establishments is not exceeded.
