*Proceedings of the Madras Government, Public Works Department,
12th August 1874.*

No. 230. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 16th July 1874, No. 3,169 :—

As there was some doubt regarding the allowances of Captain Ross Thompson while Officiating Deputy Consulting Engineer, I addressed* the Accountant-
* No. 7,170 of the 5th February 1874.

General of the Public Works Department on the subject in February last, and have been informed by that officer that, in his opinion, Captain Ross Thompson is not entitled to deputation allowance for acting for an officer (Major Smith) of a higher grade in the same class. But the Accountant-General of the Public Works Department having added that "if Major Smith is away for more than a year the Madras Government can make a permanent promotion to the 1st grade in his stead for which Captain Thompson would be eligible," I have thought it desirable to make this opinion known to the Government.

2. I need hardly add that promotion to the 1st grade of Executive Engineer if made in the place of Major Smith would require that the officer promoted should fill the post of Deputy Consulting Engineer, and that there should be no extra charge against the Public Works Department proper, except what would arise on the return of Major Smith to the appointment.

No. 231. ORDER THEREON, 12th August 1874, No. 2,217.

ESTABLISHMENT, No. 25.

His Excellency the Governor in Council is pleased to promote Captain Ross Thompson, R.E., to the rank of

Executive Engineer, 1st Grade, vice Major C. J. Smith, R.E., for whom he is acting as Deputy Consulting Engineer for Railways.

2. But inasmuch as that appointment is one extra to the regular Public Works Engineer Establishment, Captain Thompson will, on Major Smith's return to duty, revert to such position as he would have attained in the ordinary course of departmental promotion.

3. The Controller will report from what date this order takes effect according to the rules.

Sir,

As there was some
doubt regarding the allowances of
Captain Roper Thompson while
Officiating Deputy Consulting Engineer,
No 770, of the
February 1874. I addressed the Accountant General
of the Public Works Department on
the subject in February last and
have been informed by that Officer
that in his opinion Captain Roper
Thompson is not entitled to
deputation allowance for acting
for an Officer (Major Smith) of a
higher grade in the same class. But
the Accountant General of the
Public Works Department having

added

added that "if Major Smith is away
"for more than a year the Madras
"Government can make a permanent
"promotion to the 1st grade in his
"stead for which Captain Thompson
"would be eligible," I have thought
it desirable to make this opinion
known to the Government.

2. I need hardly add that
promotion to the 1st grade of Ex-
ecutive Engineer if made in the
place of Major Smith would
require that the officer promoted
should fill the post of Deputy
Consulting Engineer and that there
should be no extra charge against
the Public Works Department proper
except what would arise on the
return of Major Smith to the
appointment.

I have the honor to be,
Sir,

Your most obedient servant,
