*Proceedings of the Madras Government, Public Works Department,
12th August 1874.*

No. 238. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 13th July 1874, No. 1,539, through the Controller of Public Works Accounts.

I HAVE the honor to bring to your notice that the Supervisor, Mooneappah Pillay, in charge of Madura Range, submitted in April last a bill for the conveyance of his office records, which was returned to him with this office intimation that the special sanction of Government was required for passing the same.

2. The Supervisor in his reply, No. 32 of 16th April 1874, (a copy of which is herewith enclosed,) states that the bill in question was submitted on the understanding that the distance he has to travel has considerably increased as he has the charge of the range and sub-division, and is consequently obliged to take the records of both the offices.

3. Considering the extensive area which he has to travel, and the necessity there exists for him to move his office with him, especially when visiting the remote parts of the range, I am of opinion that the privilege which the Dindigul Range Officer is allowed in G. O., No. 448, of 5th February 1866, to engage at the Government expense a bandy for conveying his office records, may be equally extended to the present Madura Range Officer, so long as he continues to perform the duties of the range and of the sub-division.

4. Under these circumstances, I have the honor to solicit, through the Controller, as required in paragraph 9 of G. O., No. 2,860, of the 27th September 1865, the sanction of Government for the special indulgence which the present Madura Range Officer claims.

No. 239. ORDER THEREON, 12th August 1874, No. 2,221.

ACCOUNT, No. 18.

SANCTIONED while the range is held by an Upper Subordinate on condition that the Budget allotment for travelling

batta of Office Establishments is not exceeded.

Sir,

With reference to your Memo No 147 of the 14 Instant, I beg to inform you that the Bill for the conveyance of Office records was submitted to you on the understanding that the distance I have to travel as Range officer has considerably increased as I ^{have} the charge of the Range & Sub Division and am consequently obliged to take the records of both the Offices.

My predecessor and the Dindigul Range Officer get high pay and allowances and had not much to travel about as their Ranges were not so extensive as the one that is now left under my charge even the Dindigul Range officer is
allowed

allowed a special pass, as I understand
for the conveyance of records.

But, however as you have informed
me that a special sanction of Govern-
ment is necessary to pass it, I have
permitted the amount from my own
pocket.

I beg to remain
Sir

Your most Obedt Servt.
