Proceedings of the Madras Government. Public Works Department, 14th August 1874.

No. 271. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 29th July 1874, No. 447 :—

G. O., No. 601, 7th March 1874.

In their letter No. 313 G. R., dated 9th February 1874, the Government of India sanctioned the renewal with Siemen's iron standards of the telegraph line between Vellore and Beypore on the South-West Line of the Madras Railway; and, with reference to the Proceedings of Government, No. 1,539, dated 11th June 1874, I have the honor now to submit, for the sanction of the Government of India, an estimate of the cost of renewing the wooden telegraph posts for a further portion, viz., between Madras and Arconum, with iron standards, the estimated expenditure being Rupees 34,948.

				Rs.
English	...	...	...	31,981
Indian	...	...	...	2,967

2. Of the total expenditure it is proposed to charge Rupees 14,062 to Revenue and Rupees 20,886 to Capital; the amount charged to Revenue representing the value of the existing wooden poles including labor, and that to Capital the difference between the cost of the wooden poles and Siemen's iron standards.

3. Funds to meet the Capital expenditure are available from the provision for "Stores" in the Budget Estimate for 1874-75. The date on which the sanction will lapse cannot be definitely fixed, for the renewals will be made gradually as the wooden posts decay.

Revenue portion from Schedule G.
