No. 276. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 14th July 1874, No. 3,132:—

Letter from the District Engineer, Tinnevely, No. 24, dated 23rd May 1874, with its accompaniment.

WITH reference to the accompanying papers from the District Engineer, Tinnevely, on the subject of the grant of two years' furlough on private affairs to T. R. Soobramanien Pillay, Head Accountant of the Northern Range of the Tinnevely District, I have the honor to state that Soobramanien Pillay will be eligible to the leave on the 1st September next, on which date he will have completed eighteen years' service.

2. It will be observed from paragraph 2 of the District Engineer's No. 24 of the 23rd May 1874, that in the event of the furlough being granted arrangements cannot be made for the performance of the applicant's duties without extra expense to Government.

No. 277. ORDER THEREON, 14th August 1874, No. 2,242.

Enclosure 1.

1. Application
from Subra-
manian Pillay.

Sir, I have the honor to forward an appli-
cation for 2 years furlough sent in by
J. R. Subramanian Pillay the Head Ac-
countant of the Northern Range.

2. Should Government be disposed to
grant this furlough, I could not arrange
for the Accountant's duties being carried
on without extra expense to Government
& with certain loss of efficiency in one or other
of the Range Officers.

3. Subramanian Pillay gives no reason
for requiring such long leave. The appli-
cation probably arises from my having
recently transferred him from the Sherna-
devi to the Northern Range. He had been
many years in the former Range, and I
transferred him, because I believe he has
been trying to get shares in contracts.

His application is however forwarded
through the Controller for such orders as the
Government deem necessary.

I have the honor to be
