Proceedings of the Madras Government, Public Works Department.
14th August 1874.

No. 288. Read the following letter from Colonel F. J. MOBERLY, R.E.,
Superintending Engineer, Chingleput, to Colonel G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Guindy, 23rd
July 1874, No. 1,370 :—

I HAVE the honor to request the permission of Government to entertain two
Draughtsmen and Estimate-makers instead of the Draughtsman and Writer sanc-
tioned in G. O., No. 1,328, of 18th May 1874. Men who have passed examination
as Draughtsmen are very much more needed and far more valuable in my office
when they can also do writer's work if required, whereas writers know generally
nothing of estimate-making, etc.

2. I am obliged to trouble Government as, unless my employé is admitted
under special qualification as Draughtsman, I shall be obliged to employ as a writer
a man who has passed Uncovenanted Civil Service Examination and is practically
of much less use to me.

3. I beg that I may be favored with an early reply.

No. 289. ORDER THEREON, 14th August 1874, No. 2,248.

ESTABLISHMENT, No. 29.

His Excellency the Governor in
Council sanctions the proposal made in
this letter, but observes that members
of the late Inspecting Engineer's offices should receive preference.
