with available copies of drawings of their works.

From C. PHAYARD, Esq., Acting Colonial Secretary, to the Secretary to the Government of India, Calcutta, dated Colombo, 25th June 1874, No. 22.

I AM directed by His Honor the Administrator of the Government to transmit to you the annexed copy of a letter from the Director of Public Works in this island, and I am to request that you will be good enough, with the permission of the Governor-General and Viceroy of India in Council, to furnish this Government with a copy of the Report on the Madras Irrigation Company's works and drawings therein referred to.

From the Director of Public Works, to the Honorable the Colonial Secretary, dated Colombo, 18th June 1874, No. 830.
Madras Irrigation Company's Works.

I HAVE the honor to request that for the use of this department application may be made to the Government of India for a copy of the Report recently made by the Inspector-General of Irrigation Works in India on the Madras Irrigation Company's work, and that any published drawings of these works may be sent at the same time.

From the Secretary to the Government of India, Public Works Department, to the Honorable the Colonial Secretary to the Government of Ceylon, Colombo, dated Fort William, 10th July 1874, No. 438-I.

In compliance with the request contained in your letter, No. 22, dated the 25th ultimo, I am directed to transmit, herewith, copy of a Report by Colonel Rundall, late Inspector-General of Irrigation works in India, on the Madras Irrigation Company's works, and to intimate that the Madras Government has been requested to furnish the drawings asked for provided the Company has no objection.

No. 8.

No. 298A. *Note by the Chief Engineer for Irrigation.*

THERE are no published or lithographed drawings of the Madras Irrigation and Canal Company's works, but of course there is a very great number of plans of individual works.

The following might be forwarded to the Ceylon Government:—

1. Sketch map of the Company's canal.
2. Longitudinal and cross sections of the canal, the latter in sufficient number to illustrate the dimensions in the different sections.
3. Sections of the Soonkasala, Jutoor, Rajoly and Adimapully anicuts.

*Proceedings of the Madras Government, Public Works Department,
15th August 1874.*

2. The Chief Engineer and Manager will be asked whether he has any objection to copies of the above, or of any other drawings which may be asked for, being supplied.
