No. 326.

ORDER THEREON, 15th August 1874, No. 2,267.

ACCOUNT, No. 26.

THE attention of the officer in charge of the Jeypore Ghaut Works will be called to the delay in submission of his accounts which seems to be unreasonable, inasmuch as they are for a single work, on which next to nothing is understood to be done at this time of the year. Improvement in the submission of the accounts of the Vizianagrum Range is also desirable, and apparently quite feasible.
