Proceedings of the Madras Government, Public Works Department.
20th August 1874.

No. 457. Read the following letter from Lieutenant-Colonel S. S. HEARN, Inspector-General of Police, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 27th July 1874, No. 2,893:—

I HAVE the honor to submit, for the sanction of Government, the accompanying supplemental estimate, amounting in the aggregate to Rupees 95, to meet the increased expenditure required for the construction of station-houses and huts at the places noted in the margin in the Vizagapatam District.

1 Station-house at Budroyavalsa (additional expenditure)	25
1 Station-house at Konjaram (additional expenditure)	35
5 Huts at Konjaram (additional expenditure)	35
Total...	95

2. It will be observed that Rupees 125, 115, and 175 have been sanctioned for appropriation this year for the above buildings, respectively, in G. O., No. 1,625, dated 17th June 1874, Public Works Department, a sum of Rupees 25 only having been entered as compensation for each site in the original estimates sanctioned, which the Superintendent of Police reports has been subsequently found to be quite inadequate owing to the land being under wet cultivation and the price consequently higher.

3. Although there are no funds at present available in the district or elsewhere for the purpose, I request sanction of Government in order that the expenditure may be sanctioned whenever money becomes available.

No. 458. ORDER THEREON, 20th August 1874, No. 2,327.
