No. 464. Read the following letter from Colonel C. V. WILKIESON, R.E.,
Superintending Engineer, Coimbatore, to Colonel G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Coimbatore,
27th July 1874, No. 57 :—

I HAVE the honor to submit, for sanction and provision of funds, an estimate
of Rupees 300 for altering the windows
1. Estimate No. 13 of 1874-75. of, and providing punkahs to, the Sub-

Collector's bungalow at Konghiem. This being a Government building, rented by
the Sub-Collector at Rupees 30 per mensem, I agree with Mr. Wedderburn that it
should be put in proper order to justify the levy of a permanent rent for the same.

2. The building is an old travellers' bungalow, and was never intended as
a permanent residence for European gentlemen.

3. In January 1874 the Collector sent an estimate, amounting to Rupees
1,200, for repairing and improving the building, as the Sub-Collector objected to
rent it any longer unless it was put in proper order; but, as the amount of the

* Rupees 3,500.

estimate exceeded one-fourth of the
value* of the building, certain repairs

only were sanctioned and carried out to the extent of Rupees 280. The estimate
now submitted is for minor improvements, such as altering certain windows into
venetian shutters and providing two punkahs, which are necessary to make the
building suitable for the residence of the Sub-Collector, and are not more than what
tenants may reasonably expect from landlords.
