*Proceedings of the Madras Government, Public Works Department,
20th August 1874.*

No. 466. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 30th July 1874, No. 450:—

With reference to the Proceedings of Government, No. 1,817, dated 7th July 1874, I have the honor to lay before Government the enclosed letters from the Agents of the Madras and the Great Southern of India Railways, dated 25th July 1874, No. 654, and 20th July 1874, No. 5,615, dated 20th July 1874.

embodiment of their views in regard to the proposals made by the Accountant-General, Public Works Department, for the treatment in Railway Accounts of sums received as interest on overdue calls and on profits by exchange on guaranteed interest drawn in India and remitted to shareholders in England.

2. It will be observed that the proposals of the Accountant-General do not affect either of the Companies in question, inasmuch as all monies relating to interest guaranteed by the State upon the Capital paid in to Government are at present drawn in England; but, in the event of a register of stock being opened in India, and guaranteed interest being drawn from Indian Treasuries, the Railway Companies in this Presidency will be prepared to give effect to the proposals of the Accountant-General, Public Works Department.

From J. W. MELLIS, Esq., for the Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 25th July 1874, No. 654.

In reply to your letter of the 16th instant, No. 658, I have the honor to inform you that no money has ever been received in India by the Madras Railway Company in respect of Capital subscribed by shareholders, nor has the Company ever drawn from Government or paid any guaranteed interest in this country. Transactions of this nature are made through the London Office direct, whether the shareholders are resident in India or in England.

From W. S. BETTS, Esq., Agent of the Great Southern of India Railway, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Negapatam, 20th July 1874, No. 5,615.

Your letter No. 338, of the 15th instant. The full amount of interest guaranteed by the State upon the Capital paid by this Company into the Government Treasury is drawn in England, and therefore the proposals of the Accountant-General, Public Works Department, do not affect us. I do not see, however, any objection to their adoption whenever guaranteed interest is drawn from an Indian Treasury.

No. 467. ORDER THEREON, 20th August 1874, No. 2,331.

RAILWAY, No. 67.

ORDERED that this letter be communicated to the Government of India, with reference to their letter, dated 18th June 1874, No. 326-A. R:—
