*Proceedings of the Madras Government, Public Works Department,
21st August 1874.*

No. 500. Read the following letter from Colonel H. DRUMMOND, R.E., Deputy Secretary to the Government of India, Public Works Department, (Railway,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 31st July 1874, No. 1,784 R:—

In acknowledging the receipt of your communication, No. 1,836 of the 9th July 1874, forwarding an estimate, amounting to Rupees 24,800, of the cost of constructing four additional double saloon first-class night carriages for the Madras Railway, I am directed to state that before sanctioning so large an expenditure the Government of India desire some further explanation.

2. It should be stated whether, on the North-West Line, a certain number of through carriages are not interchanged with the Great Indian Peninsula Railway. Statistics of first-class passengers to Mettapolliem, Bangalore, and Raichore should also be submitted, and if, on further consideration, the Government of Madras are of opinion that first-class carriages are indispensably necessary, it should be stated whether the want cannot be met by converting some of the existing carriages into saloon carriages, instead of building new ones.

No. 501. ORDER THEREON, 21st August 1874, No. 2,347.
