1 Estimate
1 Specification

Sir,
I have the honor to forward
for the sanction of Government an
estimate of Rupees 400 accompanied
by a specification, for fixing iron
bars to the ventilators of the
workshop of the Ordnance Depot
at Saint Thomas' Mount.

2 The object of the work is
to render the building more secure
and prevent thefts, and until the
work is carried out it has been
found necessary to place an
additional sentry on the North East
side of the Depot. The estimate
has been approved by His Excellency
the Commander-in-Chief.

There

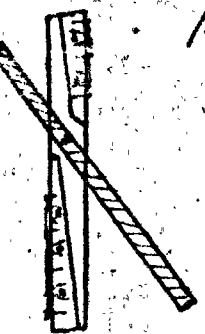

3 There are no funds for this work, at the disposal of the District Engineer Schuyler.

I have the honor to be
Sir,
Your most Obedt Servant

Edwrd Coll P.E.
Inspy Engr for Dist.

Specification Report

Two iron bars 1" square will be fixed in the exterior and top part of the frame and three iron bars 1" square will be fixed in the interior and bottom part of the frame as shown in sketch. The places where the end of the iron bars are secured will be strengthened by pieces of wood glued in and sheet-iron screwed over the places to further strengthen and protect the pieces thus let in. There are no bolts to secure the shutters at night.
