*Proceedings of the Madras Government, Public Works Department,
21st August 1874.*

No. 528. Read the following endorsement of the Revenue Department, dated 3rd August 1874:—

Read the following Proceedings of the Board of Revenue, dated 23rd July 1874, No. 1,933.

Read the following letter from the Honorable D. ARBUTHNOTT, President, Local Fund Boards, Tanjore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Tritrapundi Taluq, 26th June 1874, No. 173.

With reference to the Order of Government, dated 23rd February 1874, No. 130, Revenue Department, I have the honor to forward a revised road map (to be returned), from which it will be seen that there are several railway feeders to the south of the Great Southern of India Railway in this district. In the sketch which accompanied Mr. Cadell's letter to the Board, dated 24th January 1873, No. 19, I believe that only those roads which can be considered as feeders to the *proposed* extension of the railway line from Tanjore to Anikaran Chuttrum were shown, under the impression that the Order of Government, dated 21st August 1872, No. 1,105, Financial Department, had reference only to the proposed line, and the roads to the south of the main line of the Great Southern of India Railway were omitted.

2. The District Engineer informs me that, after careful consideration, he thinks no additional feeders are required in this district, and I concur with him in this opinion.
