Sir,

In reply to memo N^o 3027 dated 20th
September 1873 relative to G.O. N^o 1137 dated
19th April 1873, I have the honor to state as
follows:

On 12th Dec 1870 Rs. 1200 were loaned
by the villagers to erect a station at Kumbhooor.
This sum was entrusted to the Inspector Bauboshaideo
to carry out the work which was completed
in September 1870. The estimate however was
exceeded by Rs. 70 which the Inspector paid
himself in order that the completion of the
work might not be delayed. In order to
recoup the Inspector this sum of Rupees 70 was
included in scheme submitted for 1872 & 73 and
sanction of Government obtained for its
disbursement vide G.O. N^o 477 dated 3 April 1872.

In

In 1870 and also in 1871 Major Davies
Superintendent of Police inspected the station
and found it in excellent order on both
occasions as stated by him in his letter
353 dated 25 October 1871. Copy of which has
been already submitted but the Range
Officer noted in his completion certificate
that the walls were not of the height
in the Plan and that the bricksummers
required to be turned.

Nothing has been done to the station
since January 1873, but due attention will
be paid to the deficiency remarked on by
the Range Officer in his completion certificate
dated January 1873. and the cost of turning
the bricksummers will be met from an
annual repair Budget grant.

I have &c
Lieut. H. P. Court Captain
Supt. of Police.
