*Proceedings of the Madras Government, Public Works Department,
25th August 1874.*

No. 631. Read the following letter from G. S. SAGE, Esq., District Engineer, South Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Punrootty, 13th July 1874, No. 76:—

With reference to G. O., No. 1,647, of the 18th June 1874, I have the honor to report that no portion of the penalty of Rupees 240 imposed on Taluq Overseer Punchapagasa Iyer, in connection with the work of reconstructing the roof of the Police Station-house at Trinomanellore, was stopped from the Overseer's pay; but the roofing has been reconstructed at his own cost, which I would recommend he should bear, as I am of opinion the necessity arose from his own carelessness. I have had occasion to find fault with him for similar things since I joined.

No. 632. ORDER THEREON, 25th August 1874, No. 2,415.

ESTABLISHMENT, No. 47.

His Excellency the Governor in Council directs that one-half of the excess cost of reconstructing the roof, or Rupees 120, be recovered from the Overseer by moderate instalments.
