*Proceedings of the Madras Government, Public Works Department,
1st September 1874.*

No. 20. Read the following letter from Colonel F. J. MOBERLY, R.E., District Engineer, Chingleput, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Guindy, 12th August 1874, No. 1,686.—Through the Controller of Public Works Accounts.

I HAVE the honor to request the sanction of Government to the grant of personal allowance to G. Kistna Row, formerly Manager in the office of the Superintending Engineer, 2nd Division, and afterwards in that of the Inspecting Engineer, Ports and Communications, which the Controller of Public Works Accounts considers necessary.

2. Under G. O., No. 64, of 9th January 1873, Kistna Row drew as personal allowance the difference between the salaries of the two above-mentioned appointments for eighteen months. He lost the second appointment through no fault of his, on the abolition of the office of Inspecting Engineer, and it appears to me that on the same principle the increased personal allowance should be continued, as he has now undertaken very inferior duty* to what he has done for years, only because no better vacancy existed.

* Clerk on Rupees 30 in my office.

3. Colonel Foord, I am informed by Kistna Row, addressed you on 8th June 1874, on the general subject of the employment of the two Managers thrown out by the action of G. O., No. 1,328 of 18th May 1874.

4. I submit this through the Controller of Public Works Accounts.

No. 21. ORDER THEREON, 1st September 1874, No. 2,476.

ESTABLISHMENT, No. 1.

THE Controller of Public Works Accounts is authorized to admit the personal allowance on the same terms as those on which Mr. Shutie's has been sanctioned.
