*Proceedings of the Madras Government, Public Works Department,
2nd September 1874.*

No. 44. Read the following letter from Colonel F. J. MOBERLY, R.E., District Engineer, Chingleput, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Guindy, 18th August 1874, No. 1,763:—

I HAVE the honor to observe that, if I understand G. O., No. 2,233, of 13th instant aright, G. Krishna Row, late Manager, Inspecting Engineer's Office, is to go back to the Kistna District, until a vacancy occurs in some District Engineer's Office to which he can be permanently posted, and the present incumbents, who will be reduced, will revert to their present appointments; meanwhile he will be kept in constant suspense.

2. I beg to submit that it will make no difference in total of pay whether he remains here or goes to the Kistna, and that it will be less hard on him to remain stationary until a permanent vacancy occurs in some higher office.

3. I would therefore ask, as a concession to him, that he be allowed to remain here, and that a definite order of Government be issued authorizing the grant of his salary as personal allowance during the time he was out of employment, and of the difference between the two amounts since he has been in my office.

4. In support of this I beg to point out that if salary be not given, his previous service for some considerable period will be lost in calculating his time for leave of every kind requiring "continuous service," beside the actual loss of money during the period of his being out of employment through no fault of his.

No. 45. ORDER THEREON, 2nd September 1874, No. 2,488.

ESTABLISHMENT, No. 4.

THE Order No. 2,233, of 13th August 1874, will be carried out. Krishna Row is quite out of his place acting in an appointment the salary of which is Rupees 30 only.
