*Proceedings of the Madras Government, Public Works Department,
3rd September 1874.*

No. 68. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R.E., Superintending Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Poothoo Chuttrum, 17th August 1874, No. 642 :—

In continuation of my letter No. 510, dated 25th July 1874, I have the honor to inform you that in a letter dated 29th July last, Executive Engineer Mr. Leggatt has reported that Mr. Hall was relieved by him on the afternoon of the 18th July, but that Mr. Hall did not hand over his cash balance and books until the 20th of that month.

2. In a subsequent letter, dated the 11th instant, Mr. Leggatt has further reported that he has finished his inspection of works in company with Mr. Hall on the 10th instant; and that the number of days Mr. Hall was so engaged with him in this month is eight, viz., from the 3rd to the 10th instant, both days inclusive.

3. I consider, therefore, that Mr. Hall is entitled to pay and allowances as Sub-Engineer from the 1st to 18th for the month of July, and from the 3rd to 10th for the month of August 1874.

4. I may mention that the Controller has objected to pass Mr. Hall's pay as Sub-Engineer, subsequent to the date of G. O., 13th June 1874, No. 1,561. But as Mr. Hall has declined to serve as 1st class Overseer, and as Government have, in consequence, viz., in G. O., 7th July 1874, No. 1,819-C, accepted his resignation from the date of his relief of charge of the Negapatam Range, Mr. Hall is clearly entitled thereby to draw his pay of Sub-Engineer up to that date.

No. 69. ORDER THEREON, 3rd September 1874, No. 2,499.

ESTABLISHMENT, No. 5.

COMMUNICATED to the Controller of Public Works Accounts.

2. The Superintending Engineer in charge of the Tanjore District will report the circumstances under which the transfer of the range was not continuously carried on from the 18th July.
