*Proceedings of the Madras Government, Public Works Department,
3rd February 1874.*

No. 34. Read the following letter from Captain A. EDGCOME, R.E.,
Officiating District Engineer, Bellary, to Colonel G. W. WALKER,
R.E., Secretary to Government, Public Works Department, dated
Bellary, 12th January 1874, No. 1,596 :—

I OBSERVE from the Civil Service Regulations, Chapter V., Public Works
Department, Section 15 (b), that "a subordinate officiating as an Assistant is
allowed Rupees 50 a month in addition to his pay. This allowance is not admis-
sible on the mere circumstance of the subordinate holding a charge formerly
held by an Assistant, but only when the charge involves duties and responsi-
bilities which, in character or extent, are such as are not usually imposed on
subordinate officers."

2. I have the honour to bring to your notice that Sub-Engineer Jackson
is fully entitled to the allowance of Rupees 50 under the above rule, he being a
subordinate officer holding a charge that involves duties and responsibilities which
in character and extent are such as are not usually imposed on such officers.
I have therefore the honour to request that you will be good enough to view this
recommendation with favour, and to direct the Controller to pass to Sub-Engineer
Jackson the allowance of Rupees 50 a month, from the date on which he took
charge of the Bellary Range from Lieutenant Henry.

No. 35. ORDER THEREON, 3rd February 1874, No. 250.

ESTABLISHMENT, No. 2.

As the organization of the Public
Works Department of the Madras Presi-
dency provides for subordinates above
the rank of Overseer holding range or sub-divisional charges indiscriminately
with officers of the Engineer Establishment, the claim made on behalf of Mr. Sub-
Engineer Jackson is not admissible.
