*Proceedings of the Madras Government, Public Works Department,
3rd February 1874.*

No. 40. Read the following Proceedings of the Madras Government in the Revenue Department, dated 22nd October 1873, No. 1,147:—

ABSTRACT.—*Field channels in connection with Irrigation Company's Canal in Kurnool District.*—Communicating to the Public Works Department Board's Proceedings regarding the construction of — with the opinion that any expenditure on the “five link” or field channels before water has been applied for by the holders of the fields would be injudicious.

No. 41. ORDER THEREON, 3rd February 1874, No. 253.

IRRIGATION, No. 4.

29th April 1873, No. 1,218.
12th July „ „ 1,797.

COMMUNICATED to the Chief Engineer for Irrigation in continuation of the orders as per margin. It should be clearly understood that channels for the supply of particular fields are not to be con-

structed until the owners of the land apply for water; and that consequently distribution arrangements, in anticipation of applications for water, are to be confined to the construction of such channels as are necessary to convey water to a few commanding points in each village, whence a supply can without difficulty be conveyed, when required, to the place where it is wanted.
