*Proceedings of the Madras Government, Public Works Department,
14th October 1874.*

No. 348A. Read the following letter from Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 9th October 1874, No. 1,931 :—

With reference to G. O., No. 2,733, of 29th ultimo, I have the honor to bring to notice that no allotment has yet been made for the reconstruction of the bridge on the Arnee Road, sanctioned in G. O., No. 1,427, of 29th May last, and to request that, if possible, a portion of the balance of Rupees 4,067, which appears from the first mentioned order to be still available for appropriation, may be allotted for this purpose.

2. The traffic on this road is very heavy, and the absence of the bridge is a great public inconvenience; indeed, the Local Funds Board would probably have provided funds for its reconstruction before this, but for the expectation that they would be found by Government.

No. 348B. ORDER THEREON, 14th October 1874, No. 2,938-A.

ACCOUNT, No. 29A.

THE balance alluded to under Provincial Funds having been otherwise appropriated, the District Engineer can undertake the work with an advance from the Local Fund Board to be refunded at a later date.
