No. 348. ORDER THEREON, 14th October 1874, No. 2,938.

ESTABLISHMENT, No. 23.

UNDER the orders of the Government of India the annual estimate of stores to be obtained from England is due at Calcutta by the 15th of August, and strict instructions have been issued* that no delay in its submission should be allowed to occur. On the present occasion the estimate could not be despatched from the Store Department at Madras till the 27th August owing to delay in the submission of district estimates. By the last mentioned date however all estimates had been received but that from Vizagapatam, which was detained "pending information from Mr. Nordmann," and it was only on the 21st September that the General Superintendent of Public Works Stores was enabled to forward this estimate on to Government; the general estimate of the Presidency having in the meantime been compiled and despatched to the Home Government and the Government of India.

2. The estimate from Vizagapatam cannot now be sent forward.

3. His Excellency the Governor in Council observes that this is not the first occasion on which he has had to animadvert in severe terms on Mr. Nordmann's peculiar disregard of orders and inattention to accounts, as will be seen by refer-
