*Proceedings of the Madras Government, Public Works Department,
17th October 1874.*

No. 393. Read the following Proceedings of the Madras Government in the Financial Department, dated 22nd September 1874, No. 1,590 :—

ABSTRACT.—*Virdachellum Circle*.—The supplemental Budget for 1874-75 sanctioned, with the exception of the allotment for constructing groynes in the Vellar river, the work being one not properly chargeable to Local Funds.

No. 394. ORDER THEREON, 17th October 1874, No. 2,959.

ACCOUNT, No. 31.

It would appear that Items 1 to 4 and 8 are incomplete works of the former year, expected to be, but not, completed in that year, and for which accordingly provision could not be made in the Budget of the current year. And it is presumed that the standing rule of the Public Works Department that allotments for completion of such works are a first charge on the Reserve of the current year, and that Range Officers are expected to carry them on to completion without cessation on the 1st April in anticipation of such allotments, applies to works carried out from Local Funds as well to those carried out from other funds (see G. O., Public Works Department, No. 131, of 18th March 1873).

2. With reference to Item No. 11, it is remarked as improbable that so large an allotment as Rupees 10,000 will be availed of for construction of a bridge, the plan and estimate of which are yet unsanctioned at this late date. Such an entry is certain to swell the amount of grants unutilized by Public Works Agency, of which complaint is annually made by Local Fund Boards. A partial transfer at least is advisable.

*Proceedings of the Madras Government, Financial Department,
22nd September 1874.*

No. 166. Read the following Proceedings of the Board of Revenue, dated 25th August 1874, No. 2384:—

Read the following letter from J. H. GARSTIN, Esq., President of the Local Fund Boards, South Arcot District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 14th July 1874, No. 63:—

I HAVE the honor to submit herewith, for early sanction, the Supplemental Budget of the Virdachellam Circle for the current year, together with a copy of the Vice-President's letter forwarding the same, dated 30th ultimo, No. 76.

2. The only item I object to is Rupees 200 for constructing stables at the Chinna Salem bungalow. Last year only Rupees 11 were collected here from eleven persons, of whom six were district officers. I consider the allotment unnecessarily high.

ENCLOSURE No. 4.—Extract from Proceedings of Local Fund Board.

Proceedings of the Madras Government, Financial Department,
22nd September 1874.

WITH the foregoing letter, the President submits for sanction a Supplemental Local Fund Budget of the Virdachellam Circle for the current official year.

2. The total proposed expenditure amounts to Rupees 61,783 as follows:—

	RS.
Statement II-A, Part I., New Works	54,918
Appendix to do.	1,460
Part II., Repairs	30
Statement IV-B., Miscellaneous and Sanitary, etc., expenditure ...	5,375
Total ..	61,783

3. STATEMENT II-A., PART I., NEW WORKS.—Part I. contains sixteen items, with an aggregate allotment of Rupees 54,918. The items that call for remark are the 4th, 6th, 7th, 11th, 12th, and 16th.

4. The estimate for the fourth work sanctioned in Board's Proceedings, dated 15th November 1873, No. 1,833, is only Rupees 2,100, and not Rupees 2,300 as entered in the Budget. The proposed allotment for the work, *plus* the actual expenditure up to 31st March 1874, exceeds the estimate by Rupees 1,277. A revised estimate for the work is promised, which the President is requested to expedite.

5. The amount of the estimate for the sixth item is given as Rupees 12,150, instead of Rupees 24,150 sanctioned in G. O., Financial Department, dated 10th June 1874, No. 932. The President will explain why the former amount has been inserted.

6. The seventh item with an allotment of Rupees 1,440 is for constructing two groynes in the Vellar river near Muttaloor. It is incorrectly shown under "Communications" instead of under "Sanitary and Miscellaneous." The necessary transfer has been made in this Office. The Circle Board are of opinion that the charge should be defrayed from Imperial or Provincial Funds. With their Proceedings, dated 8th August 1874, No. 2,148, the Board of Revenue submitted, for the orders of Government, the plan and estimate of the work, in view to its being undertaken by Government. The allotment will, however, be allowed to stand, pending the decision of Government.

7. Items 11, 12, and 16 are unsanctioned. The President will hasten the submission of the necessary plans and estimates, and, until they are sanctioned, no portion of the sums allotted for them can be spent.

8. APPENDIX TO PART I.—This list contains three items, with a total allotment of Rupees 1,260, which should be shown as a lump sum in Part I. against "Petty New Works."

9. The third or the last item (Rupees 200) is for constructing stables at the Chinna Salem travellers' bungalow. The President objects to this allotment, as only Rupees 11 were collected last year from 11 persons, of whom six were district officers. The Board concur with the President in opinion, and have accordingly disallowed the item.

10. PART II., REPAIRS.—Part II. contains only one item, which calls for no remarks.

*Proceedings of the Madras Government, Financial Department,
22nd September 1874.*

11. STATEMENT IV-B, SANITARY AND MISCELLANEOUS.—In Statement IV-B, the following provision is made:—

For the Dispensary at Virdachellam.

	RS.	RS.
1. Salaries of the Medical subordinates	500	
2. Purchase of medicines and surgical apparatus	1,200	
3. Purchase of furniture	1,000	
		2,700
For repairing certain drinking water ponds in the Kallacurichi Taluq.	1,500	
For do. wells, etc., in the Chellambram Taluq	1,075	
For cleansing a pond at Erumbur by the roadside... ..	100	
Total...	5,375	

The provision for the Virdachellam dispensary ought not to have been made in Statement IV-B. It is now exhibited in Statement IV-A. No details are given of the salaries of the medical subordinates. The President will supply the omission, to enable the Board to obtain the sanction of Government to the scale proposed.

12. As Government are desirous that arrangements should be made for the treatment of out-patients without reference to the building now under construction, the President should at once submit an indent, in duplicate, for the required quantity of medicines, etc.

13. The total allotment now admitted by the Board of Revenue is Rupees 61,583 as hereunder classified.

GRANT I.—COMMUNICATION—

New Works	RS. 46,624	To be met from the Road Fund balance.
Sanitary and Miscellaneous New Works	9,554	
Repairs	30	Do. from General Fund balance.
Total ..	56,208	

GRANT III.—

For Virdachellam dispensary	2,700	Do.	do.
Improvement of water supply	2,675

14. In anticipation of the sanction of Government to the Supplemental Budget, the Board desire the Accountant-General to place Rupees 56,208 at the disposal of the Public Works Department.
