*Proceedings of the Madras Government, Public Works Department,  
17th October 1874.*

No. 397. Read the following letter from Major C. H. LUARD, R.E., Officiating Under Secretary to the Government of India, Public Works Department, (Railway,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 23th September 1874, No. 2,407 R:—

I AM directed to acknowledge the receipt of your communication, No. 2,459, dated 31st August 1874, relative to the conversion of the swimming-bath at the Jollarpett station on the Madras Railway into an engine driver's bungalow and the erection of new out-offices at a cost of Rupees 1,392 in all.

2. Owing to the want of suitable accommodation at this station for drivers, the work has, under the orders of the Government of Madras, been put in hand, the expenditure being debited to a suspense account pending the receipt of orders from the Government of India as to the incidence of the charge.

3. On a reference to the estimate and plan received with your letter, No. 2,989, dated 11th December 1873, it is seen that the out-offices which are essentially new works, and which would have been a necessary adjunct to any new bungalow, are to cost Rupees 560. This sum should be charged to Capital, while the additions and alterations to the bath itself, estimated to cost Rupees 832, should be charged to Revenue as a minor improvement.

4. The capital portion of this authorization has been registered as No. 32-M.R. of 1874-75. The estimate and plan are herewith returned.
