Proceedings of the Madras Government, Public Works Department,
22nd October 1874.

No. 486. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 8th October 1874, No. 2,912:—

In reference to G. O., No. 172, of the 24th August 1874, I have the honor to state that the revised estimate for constructing a District Munsif's Court-house at Permagoody, called for in the Government Order above quoted, is now under preparation, and will be submitted shortly for the sanction of Government.

2. I may mention that considering the emergency of the work, provision has been made by me for the same in the Provincial Budget Estimate for 1875-76, submitted with my letter No. 2,759 of the 29th ultimo.

3. As the District Judge has in his letter No. 292, of the 7th instant, urged upon me the necessity of including the work in the Budget abovementioned, I beg that the Government will be pleased to include the same in their Budget Estimate for the ensuing official year, pending the submission of the revised estimate as mentioned in paragraph 1 of this letter.

4. I have inspected the building now occupied by the District Munsif and it is a perfect ruin, cannot by any possibility be repaired, and have suggested to the Acting Judge the advisability of renting another building whilst the new Court-house is constructing, as I could not recommend the Government being put to any expense for the present one.
