I HAVE the honor to forward herewith a list of disallowances from the Controller of Public Works Accounts, No. 528, dated 18th September 1874, and request that you will be good enough to issue orders as to the meaning of "present duties" in G. O., No. 2,344, dated 20th August.

2. I respectfully beg to recommend that Narrainasawmy Moodelliar be allowed to draw the full pay of the appointment as long as he is employed in the Cumbum Range, as he is reported by the Range Officer to be painstaking and works satisfactorily, and the climate appears to agree with him.
