*Proceedings of the Madras Government, Public Works Department,
24th October 1874.*

No. 537. Read the following endorsement of the Acting Under Secretary to Government, Financial Department, dated 5th October 1874 :—

From H.W. BLISS, Esq., Acting President of the Municipal Commission, Madura, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madura, 26th September 1874, No. 56 :—

In the Order marginally quoted, Government were pleased to order that the G. O., dated 22nd August 1874, No. 2,386, cost of repairing the north-east turret of Tiroomala Naick's Palace, now in course of conversion into public offices, and of fitting up therein the tower clock which the Municipal Commissioners have purchased, should be met from the allotment to the palace works.

2. The Municipal Commissioners now understand that the current year's allotment for the palace restoration will all be required for other works (tying the building together) now in progress, so that no progress can be made with the repairs of the turret until after the commencement of next official year.

3. They are, however, very anxious to have the clock put up as soon as possible, and, therefore, propose to advance from Municipal funds the necessary money to enable the work to be begun at once.

4. Unless, therefore, Government are in a position to increase the current year's palace allotment by Rupees 1,500, which is the sum the District Engineer informs me he can spend on the turret before the 31st March next, I have the honor to request permission to advance that sum to him from Municipal funds, to be repaid out of next year's allotment to these restoration works.

TRANSFERRED to the Public Works Department.

(Signed) J. STURROCK,
Acting Under Secretary.

No. 538. ORDER THEREON, 24th October 1874, No. 3,033.

ACCOUNT, No. 41.

As it is improbable that additional funds will be forthcoming for the Madura Palace works during the current year, the District Engineer will be authorized to accept the offer of the Municipality.

Fort St. George.

Sir,

G. O. dated 22^d
August 1874 -
N^o 2386 P. W. D.

In the order marginally
quoted Government were pleased to order
that the cost of repairing the North East
Turret of Tirumalai Naik's Palace, now
in course of conversion into Public Offices,
and of fitting up therein the tower clock
which the Municipal Commissioners have
purchased, should be met from the
allotment to the Palace works.

2. The Municipal Commissioners
now understand that the current year's
allotment for the Palace restoration
will all be required for other works -
(tying the building together) now in progress,
so

so that no progress can be made with the repairs of the turret until after the commencement of next official year.

3. They are, however, very anxious to have the clock put up as soon as possible, and therefore propose to advance from Municipal funds the necessary money to enable the work to be begun at once.

4. Unless, therefore, Government are in a position to increase the current year's Palace allotment by Rupees 1500, which is the sum the District Engineer informs me he can spend on the Turret before the 31st March next, I have the honor to request permission to advance that sum to him from Municipal funds, to be repaid out of next year's allotment to these Restoration works.

I have the honor to be

Yours most Obedt. Servant

R. W. Smith

by President
